

THRUNTON TRAIL BUILDERS

"Keep trails natural"

We have a signed agreement with the FC for building and maintaining the trails in Thrunton, and develop them with the objective of keeping them both sustainable and as natural as possible.

We are totally self funded as a group, with some help from the Forestry Commission for materials and tools. The types of trails tend to be towards the technical cross country style.

The group is very low key, we keep bureaucracy to a minimum and build trails that we enjoy to ride.

If you have any queries please contact the secretary Matt Jones on the following email address simon@thruntontrailbuilders.co.uk.

I enclose a cheque made payable to Thrunton Trail Builders including the following amounts.
